Little Learners at Washburn Tech is open to:

- CHILDREN OF WASHBURN TECH TECHNICAL PROGRAM STUDENTS
- CHILDREN OF WASHBURN TECH EMPLOYEES
- GENERAL PUBLIC

Our center is staffed by child care professionals with 75 total years of work experience in the field. Little Learners at Washburn Tech has been in operation more than 25 years. Additionally, students from Washburn Tech's Child Care Program assist in working with the children. The Child Care Program offers a 24 credit technical certificate that is designed to provide training in the processes and principles of growth and development of children from infancy through six years of age. The program places emphasis on social, emotional, physical, intellectual, and support services relating to children.
