High School students are allowed to attend Washburn Tech their junior and/or senior year of high school (must be 16 years of age or older). They must meet the entrance requirements to be eligible for enrollment. Enrollment is first come, first serve. While in high school, students do not have to pay tuition, per Senate Bill 155.

**High School students are responsible for supply/material fees.** (i.e. uniforms, online access or access to certification testing, and shop or classroom supplies/materials/kits/knife sets, tools, printed textbooks/manuals, and or personal protective equipment.) Federal guidelines require a high school diploma or GED to be eligible to apply for federal financial aid.

*Washburn Tech reserves the right to make adjustments to a student's account as needed (and/or without prior notice) to ensure accurate schedules and/or billing.*
