**Testimonials**

"My daughter has learned so much over the past 3 years she has attended Little Learners. Little Learners has prepared her above and beyond for kindergarten. My daughter loves all the fun, creative, and structured activities she gets to participate in throughout the day. Little Learners is also a wonderful asset to the students and staff at Washburn Tech. This center gives you an option for child care while you attend school at Washburn Tech. Without that option, some students would not be able to attend school at all. Thank you to the amazing teachers, students, and staff at Little Learners!!!"

— Nicole W.

"Oh goodness. Where do I begin? Little Learners has been my second family for 4 years now (give or take). Brennan has grown into such a bright, loving, enthusiastic, educated little boy. I know wholeheartedly he has had nothing but love from the preschool to the toddler room, which means the world to a mother and father. I never left him feeling that he was neglected. EVER. The interaction he has from staff and students is beyond what I could have asked for in a preschool for my child. He has made his first little circle of friends and I am so grateful. My heart is heavy that he has to leave, but I know he is ready because of Little Learners!!"

— Marcy D.

Toddlers: 18 months to 3 years  
Preschool: 3 to 6 years

Get ready to play and learn!
Our center is staffed by Early Childhood professionals with over 65 total years of work experience in the field. Little Learners at Washburn Tech has been in operation for more than 25 years. Students from Washburn Tech's Early Childhood Professional program serve as assistants in the center, creating low staff-child ratios. The children engage in activities to promote cognitive, social, emotional and physical development.
