#### Important Notes:

- High school students are allowed to attend Washburn Tech their junior and/or senior year of high school (must be 16 years of age or older). They must meet the entrance requirements to be eligible for enrollment.
- The State of Kansas – through an initiative known as Excel in CTE – is covering the cost of tuition and related fees for all technical courses in an approved technical program. The determination of whether a course is tiered or non-tiered is determined by the State of Kansas. High School students are responsible for the standard tuition rate and associated fees for all non-tiered courses.
- High School students are responsible for program specific non-consumable fees (i.e. uniforms, online textbooks or access codes, certification testing, printed textbooks/manuals, kits, knife sets, and/or personal protective equipment).
- High School students are not eligible for federal financial aid; federal guidelines require a high school diploma or GED to be eligible to apply for federal financial aid.
- Washburn Tech reserves the right to make adjustments to a student's account as needed (and/or without prior notice) to ensure accurate schedules and/or billing.
- Students may need to purchase supplies such as (but not limited to) pens/pencils, notebooks/paper, three-ring-binders, etc. These items are purchased by the student at the vendor of their choice.
