Important Notes

- High school students are allowed to attend Washburn Tech their junior and/or senior year of high school (must be 16 years of age or older). They must meet the entrance requirements for enrollment.
- The State of Kansas through an initiative known as Excel in CTE covers the cost of tuition and related fees for all tiered technical courses in an approved technical program. The determination of whether a course is tiered or non-tiered is determined by the State of Kansas. High school students are responsible for the standard tuition rate and associated fees for all non-tiered courses.
- High school students are responsible for program specific non-consumable fees (such as uniforms, online textbooks or access codes, certification testing, printed textbooks/manuals, kits, knife sets and/or personal protective equipment.)
- High school students are not eligible for federal financial aid; federal guidelines require a high school diploma or GED to be eligible to apply for federal financial aid.
- Washburn Tech reserves the right to make adjustments to a student's account as needed (and/or without prior notice) to ensure accurate schedules and/or billing.
- Students may need to purchase supplies such as (but not limited to) pens/pencils, notebooks/paper, three-ring binders, etc. These items are purchased by the student at the vendor of their choice.
- All students who choose to attend the commencement ceremony after successful completion of a program are required to purchase graduation regalia.
