** It is possible that a student could fulfill their certificate requirements of 51 credit hours before reaching the Kansas Board of Cosmetology's requirement of 1500 contact hours to be eligible for the KBOC licensing exam. Upon successful completion of the program's 51 credit hours, students will be able to participate in the graduation ceremony and will be awarded a Washburn Tech Cosmetology certificate, but will be required to complete their remaining contact hours before becoming eligible to sit for the KBOC licensing exam. Any make-up/clinical time needed to reach KBOC's 1500 contact hour requirement, because of absences during the program, will be completed after program requirements are met. Students are charged for clinical time as per the chart on the Cosmetology cost sheet. These clinical hour(s) charges are not financial aid eligible.*

KBOC regulations require students to have a social security number to be eligible to register for an apprentice license in the state of Kansas. Therefore, students enrolling at Washburn Tech in the Cosmetology course(s) must provide their social security number during the application process. An Individual Taxpayer Identification Numbers (ITIN) cannot be accepted in lieu of a social security number, and those persons in the United States on a visa, must provide the visa type, as not all visas are eligible.

Half Day Students: Must attend 4 hours a day. Either 8:00 a.m. to 12:00 p.m. or 12:30 p.m. to 4:30 p.m.

- Washburn Tech reserves the right to make adjustments to a student's account as needed (and/or without prior notice) to ensure accurate schedules and/or billing.
- Students may also need to purchase supplies such as (but not limited to) pens and/or pencils, notebooks and/or paper, three-ring-binders, etc. These items are purchased by the student at the vendor of their choice.
