

TURN YOUR ENTHUSIASM FOR COOKING + BAKING INTO A CAREER

Culinary Arts

[HOSPITALITY + HUMAN SERVICES]

If you can take the heat, get in the kitchen with a culinary arts career. Under the supervision of chefs and other culinary professionals, food prep workers perform many tasks from preparing and cooking food to baking and planning menus. Work settings include restaurants, institutions, hotels or resorts.

LEARNING AT WASHBURN TECH

This program prepares you to be a productive member of any restaurant or culinary staff. You will learn culinary math, food safety and sanitation, use and care of equipment and food preparation and cooking skills. Instruction also covers baking, purchasing and menu planning, as well as restaurant supervision and management. Students must pass the ServSafe certification early in the program. Attending full-day, you can complete the program in two semesters while half-day can finish in four semesters. Upon completion, you will earn a 48-credit-hour technical certificate and be eligible to complete an associate degree or more advanced degrees at Washburn University.

JOB AND SALARY OUTLOOK

Job opportunities are plentiful for food prep workers. According to the Kansas Department of Labor, the average entry-level salary in

this field in 2018 was \$8.54 an hour or \$17,760 annually. The average was \$9.78 an hour or \$20,340 annually.

ENTRY REQUIREMENTS

Students are required to take the Accuplacer test and score a minimum of 4 in reading and 4 in math. Other assessments or college coursework can be accepted in place of Accuplacer. Please see a recruiter for details. Students also must complete an application and submit an official copy of all transcripts.
